

PARTNER PACK · 2026 TO 2027

Help more people into work, and keep them there.

I work with councils, employment support providers, employers and business networks. You fund places. I give people the skills, confidence and support to start work and stay in it, and I train the managers who decide whether they stay.

For people you support

Work Ready places: their own Hub for 12 months, with a step by step journey from getting ready to their first year in work, a course with a certificate, and Open Doors employers.

For employers

Manager places on Manager Capability Training, CPD accredited: hiring fairly, supporting new starters, absence, adjustments and keeping people past 90 days.

For programmes

Delivery for prime providers and councils: in-work support, manager training and fair chance employer engagement, with reporting against your outcomes.

For the organisation

A private dashboard of totals: PINs in use, sign ins, started work, and courses passed.

WHY TEE OBI

What most employment support misses.

01 Support carries on after the job start
Most programmes stop at the first day. Places last 12 months.

02 The employer side is covered
People leave because of managers, so I train the manager too.

03 Fair chance by design
Second chances, disability, neurodiversity and parents are built in.

04 Rights in plain English
Contracts, sick pay, adjustments and probation, explained simply.

05 Reporting you can use
Started work, and still in work at 13 and 26 weeks, as totals.

06 Nothing for the person to pay
Cost is never the reason someone drops out.

YOUNG PEOPLE

Built for 16 to 24 year olds starting out

Nearly a million young people in the UK are not in education, employment or training, and many have never had a paid job. Work Ready places focus on starting well: what to expect, your rights, talking to a manager and the first 30 days. For employers taking on a young person or a first apprentice, Manager places give the manager what they need to support them.

BUYING PLACES

Pay the way your finance team works.

HOW YOU PAY	BEST FOR	HOW IT WORKS
Card	Small employers and charities	Manager places can be bought online today. Choose how many at checkout.
Invoice	Most organisations	We agree places and price, then I send an invoice. Places start when it is paid, or sooner if agreed.
Purchase order	Councils, the NHS and prime providers	Send your PO and places can start when it arrives. Payment terms to suit your finance team, including 30 days. I complete your supplier forms.
